As part of the entry fee, competitors will receive limited cover for civil liability towards third parties in accordance with the traffic laws of the Syrian Arab Republic. This cover will come into effect at the start of the Rally and will include only special stages. It will cease at the end of the Rally or at the moment of retirement, exclusion or disqualification.

For road sections, competing cars should be insured by the competitor, no responsibility being imputable to the Organizers.

It is obligatory for competitors to carry normal Traffic Liability Insurance as required by Syrian laws. Competitors from outside Syria should get this insurance at the Syrian borders while entering the car; **competitors have to certify their insurance during Registration for Reconnaissance.**

The general conditions of the policy will mainly stipulate that the coverage is granted up to an amount of 700,000 s.p. (about 14,300\$) per accident, as far as bodily injuries or death is concerned.

In case of an accident, competitors or their representative must report the incident in writing to the Organizer, latest within twelve hours. In case of a recovery service being used either in a special stage or on road section, expenses will be incurred by the competitor.

The service vehicles, even those bearing special plates issued by the organizer will not be considered as official participants of the rally. They are therefore not covered by the insurance policy of the rally and all risks remain under the sole responsibility of their owners.

Similarly, reconnaissance cars used by competitors during reconnaissance, even if bearing special plates and the event's stickers, should be insured by the competitor, no responsibility being imputable to the organizers.

If a driver taking part in a rally is involved in an accident in which a member of the public sustains physical injury, the driver concerned must report the incident at the next radio point specified in the road book. If this rule is not observed, the stewards of the meeting may impose a penalty, which may extend to exclusion from the rally.
